To that end, all proposals should comply with the following guidelines: Unless absolutely necessary, copies should minimize or eliminate use of non-recyclable or non re-usable materials. Materials should be in a format permitting easy removal and recycling of paper. A proposer should, to the extent possible, use products consisting of or containing recycled content in its proposal including, but not limited to, folders, binders, paper clips, diskettes, envelopes, boxes, etc. Do not submit any or a greater number of samples, attachments or documents not specifically requested.

### B. The City's Rights and Requirements

- i. The Director, at his/her sole discretion, may require any Proposer to augment or supplement its proposal or to meet with the City's designated representatives for interview or presentation to further describe the Proposer's qualifications and capabilities. The requested information, interview, meeting, or presentation shall be submitted or conducted, as appropriate, at a time and place the Director specifies.
- ii. The City reserves the right, at its sole discretion, to reject any proposal that is incomplete or unresponsive to the requests or requirements of this RFP. The City reserves the right to reject any or all proposals and to waive and accept any informality or discrepancy in the proposal or the process as may be in the City's best interest.
- iii. **Proposal as a Public Record.**

Under the laws of the State of Ohio, all parts of a proposal, other than trade secret or proprietary information and the fee proposal may be considered a public record which, if properly requested, the City must make available to the requester for inspection and copying. Therefore, to protect trade secret or proprietary information, the Proposer should clearly mark each page - but only that page - of its proposal that contains that information. The City will notify the proposer if such information in its proposal is requested, but cannot, however, guarantee the confidentiality of any proprietary or otherwise sensitive information in or with the proposal. Blanket marking of the entire proposal as "proprietary" or "trade secret" will not protect an entire proposal and is not acceptable.
- iv. **CLEVELAND AREA BUSINESS CODE**

Requirements. During performance of this Agreement, Contractor shall comply with all applicable requirements of the *Cleveland Area Business Code*, Chapter 187 of the Codified Ordinances of Cleveland, Ohio, 1976 ("C.O."), and any *Regulations* promulgated under the *Code*, which *Code* and *Regulations* are incorporated into and made part of this RFP by this reference as fully as if rewritten in it or attached. Specifically, compliance under any resulting agreement shall include, but not be limited to, the Contractor's:

- Compliance with its proposal representations regarding CSB, MBE, and/or FBE participation in performance of the Agreement;
- Compliance and cooperation with Project Monitors, whether from the Mayor’s Office of Equal Opportunity (the “OEO”) or the contracting department;
- Accurate, complete, and on-time submission of all reports, forms, and documents including, but not limited to, employment reports, certified payrolls, monitoring forms, and other information the Director of the OEO may require, whether in printed or electronic form, to ascertain and verify Contractor’s compliance; and
- Attendance at and participation in all required project meetings, including OEO compliance meetings, and progress meetings called by the contracting department director(s) at key intervals during performance of the contract services (e.g. 25% completion, 50% completion, 75% completion).

Failure to Comply. When determining the contractor’s future eligibility for a City contract, the City shall consider a contractor’s failure to comply with the representations of its proposal and the requirements under the *Code* as a failure to faithfully perform a contract.

- a. Under the *Cleveland Area Business Code*, the City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs), Female Business Enterprises (FBEs), and Cleveland- area small businesses (CSBs) by providing and enhancing economic opportunities to participate in City contracts. The successful proposer for a contract will be a firm that shares that commitment. Accordingly, a proposer is strongly encouraged to utilize the services of qualified MBE/FBE/CSB sub-consultants that are certified by the Mayor’s Office of Equal Opportunity (the “OEO”) in its proposal.
- b. The standard subcontracting goal for professional services contracts is 10% Cleveland Area Small Business (“CSB”) subcontractor participation. Please review the attached Office of Equal Opportunity documents to ascertain the goal for the proposed contract. Proposers are required to make a good-faith effort to subcontract portions of the work to certified Minority Business Enterprise (“MBE”), Female Business Enterprise (“FBE”), and CSB firms, consistent with the subcontracting goal(s) applicable to this RFP.

- c. To document its good-faith effort to utilize certified MBE, FBE and CSB sub-consultants, each proposer must complete Schedules 1 through 4 found in the *Cleveland Area Business Code - Notice to Bidders and Schedules*. These schedules identify the Proposer's proposed use of MBE, FBE and CSB sub-consultants on the project, which evidences the proposer's good-faith effort to obtain the participation of certified sub-consultants. The Proposer shall submit the completed forms with its proposal and they will be forwarded to the City's Office of Equal Opportunity for evaluation. Failure to submit complete schedules may result in the rejection of a proposal

Proposers may obtain a listing of firms certified by the OEO as CSBs, MBEs and FBEs by checking the City's website at <http://www.city.cleveland.oh.us>. On the home page, select "Office of Equal Opportunity" from the drop-down menu of City departments. On the Office of Equal Opportunity page, you will find a selection in the left-hand column for "CSB/MBE/FBE Registry".

Proposers are responsible for obtaining the most current list and for contacting potential CSB/MBE/FBE sub-consultants. The City assumes no responsibility for matching prime consultants with qualified, certified MBE, FBE, and/or CSB sub-consultants.

The City Office of Equal Opportunity will monitor participation of MBE, FBE, and/or CSB sub-consultants throughout the duration of the engagement or project. The successful proposer, as contractor, will be responsible for providing the OEO with all information necessary to facilitate this monitoring.

The *Cleveland Area Business Code*, any *Regulations* promulgated under the *Code*, and the *OEO Notice to Bidders & Schedules* are, by this reference, incorporated in and made part of this solicitation and any resulting contract as fully as if written in it or attached.

- d. The successful proposer, as contractor, will be required to comply with all terms, conditions, and requirements imposed on a "contractor" in the following *Equal Opportunity Clause*, Section 187.22(b) of the Cleveland Codified Ordinances, and shall make the Clause part of every subcontract or agreement entered into for services or goods and binding on all persons and firms with which the

proposer may deal, as follows: No Contractor shall discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. Contractors shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. As used in this chapter, "treated" means and includes without limitation the following: recruited whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship, promoted, upgraded, demoted, transferred, laid off and terminated. Contractors shall post in conspicuous places available to employees and applicants for employment, notices to be provided by the hiring representative of contractors setting forth the provisions of this nondiscrimination clause.

- e. Within 60 calendar days after entering into a contract, the successful Proposer, as Contractor, shall file a written affirmative action program with the OEO containing standards and procedures and representations assuring that the Contractor affords all qualified employees and applicants for employment equal opportunities in the Contractor's recruitment, selection, and advancement processes.

viii. **Proposer’s Familiarity with RFP; Responsibility for Proposal**

By submission of a proposal, the Proposer acknowledges that it is aware of and understands all requirements, provisions, and conditions in and of this RFP and that its failure to become familiar with all the requirements, provisions, conditions, and information either in this RFP or disseminated either at a pre-proposal conference or by addendum issued prior to the proposal submission deadline, and all circumstances and conditions affecting performance of the services to be rendered by the successful proposer will not relieve it from responsibility for all parts of its Proposal and, if selected for contract, its complete performance of the contract in compliance with its terms. Proposer acknowledges that the City has no responsibility for any conclusions or interpretations made by Proposer on the basis of information made available by the City. The City does not guarantee the accuracy of any information provided and Proposer expressly waives any right to a claim against the City arising from or based upon any incorrect, inaccurate, or incomplete information or information not otherwise conforming to represented or actual conditions.

The City reserves the right to request a “best and final offer” from Proposers meeting the minimum requirements.

B. **Scoring of Proposals.** The City will score each Proposal in each of the following categories:

- i. Experience and Staff
- ii. Program Management Plan

- iii. Proposed Services
- iv. Sustainability
- v. Schedule/Timeline

The ratings are not intended or to be interpreted as a reflection of a Proposer's professional abilities. Instead, they reflect the City's best attempt to quantify each Proposer's ability to provide the services sought by the City and to meet the specific requirements of this RFP, for comparison purposes.

- C. **Disqualification of a Proposer/Proposal:** The City does not intend by this RFP to prohibit or discourage submission of a proposal that is based upon a Proposer's trade experience in relation to the nature or scope of work, services, or product(s) described in this RFP or to prescribe the manner in which its services are to be performed or rendered.

The City will not be obligated to accept, however, significant deviations from the work or services sought by this RFP, including terms inconsistent with or substantially varying from the services or the financial and operational requirements of the RFP, as determined solely by the City. The City reserves the right to reject any proposal that does not furnish or is unresponsive to the information required or requested herein. The City reserves the right to reject any proposal or to waive or to accept any deviation from this RFP or in any step of the proposal submission or evaluation process so as to approve the award of the contract considered in the City's best interest, as determined in the City's sole discretion.

Although the City prefers that each Proposer submit only one proposal including all alternatives to the proposal that the Proposer desires the City to consider, it will accept proposals from different business entities or combinations having one or more members in interest in common with another Proposer. The City may reject one or more proposals if it has reason to believe that proposers have colluded to conceal the interest of one or more parties in a proposal, and will not consider a future proposal from a participant in the collusion. In addition, the City will not accept a proposal from or approve a contract to any Proposer that is in default as surety or otherwise upon an obligation to the City or has failed to perform faithfully any previous agreement with the City, or is currently in default under any agreement with the City.

The City reserves the right to reject any or all proposals. Failure by a Proposer to respond thoroughly and completely to all information and document requests in this RFP may result in rejection of its proposal. Further, the City reserves the right to independently investigate the

financial status, qualifications, experience, and performance history of a Proposer.

The City reserves the right to cancel the approval or authorization of a contract award, with or without cause, at any time before its execution of a contract and to later enter into a contract that varies from the provisions of this RFP, if agreed to by another Proposer.
