

CLEVELAND RECYCLES

CITY OF CLEVELAND
Mayor Frank G. Jackson

Division of Waste Collection

REDUCE! REUSE! RECYCLE!

Make a New Year's Resolution to Recycle

It's as easy as 1-2-3

1 Start with your Christmas tree. The City of Cleveland will pick up your live Christmas tree from the curb for recycling from December 26, 2007 to February 1, 2008.

In the spring, the mulch from the recycled trees will be made available to Cleveland residents at no cost, while supplies last.

2 Reuse or recycle holiday wrapping paper and gift boxes.

3 Continue to recycle throughout the year by dropping off your glass, plastic, aluminum, cardboard and paper at any of the City of Cleveland's convenient drop off locations. Call for a location near you. Committed to Keeping Cleveland Clean and Making Cleveland a City of Choice!
