

ATTENTION CLEVELAND RESIDENTS

“FREE MULCH AVAILABLE” (While supplies last!)

The City of Cleveland is pleased to announce the availability of “Free Mulch” from the collection of recycled Christmas Trees. During the 2009-2010 season approximately 415 cubic yards of Christmas trees were collected and composted into mulch. This mulch is now available to Cleveland Residents for FREE to assist in spring gardening and landscaping projects. This program helps our environment and beautifies our neighborhoods. Getting your free mulch is as easy as 1-2-3.

Distribution will begin Monday, April 19, 2010.

Each resident is allowed a maximum of one (1) cubic yard for FREE (while supplies last). Additional mulch will be available at a discounted rate for a maximum of three (3) cubic yards. Follow these easy steps to receive your mulch:

1. Bring your own containers, such as bags, cans or boxes for hauling.
2. Show proof of City of Cleveland residency to obtain the mulch.
3. Drive up to load mulch and drive off to begin your project.

Note: Vehicles with commercial plates, dump trucks, stake body, etc. will **NOT** be permitted to pick up the mulch.
