*Rollin' Up to Your Curb Soon...*

## *A New Automated Waste Collection and Curbside Recycling Pilot Program*

We're providing a new and enhanced waste collection service that will offer:

**CONVENIENCE**

**CLEANLINESS**

*And a better*  
**COMMUNITY**

“We’re committed to keeping Cleveland Clean and making Cleveland a City of Choice!”

## New Waste Collection Service Coming to your neighborhood!

I am pleased to announce a new Pilot Program for picking up trash and recyclables in the City of Cleveland starting early October of 2007. The following is what you can expect:

- As a Pilot Program participant, soon you will receive two “FREE” containers compliments of the City of Cleveland to use in our automated curbside collection and recycling program.
- This program will offer a more convenient way for you to set out your garbage, a more efficient and cost effective method to collect your waste, and a better way to provide a cleaner community.
- Your weekly scheduled pick up date **will not** change. The carts will be serviced using our new automated collection vehicles.
- Look for more detailed information about the program coming soon.

We take pride in this new program as it will help our environment; improve our neighborhoods and the future of the quality of life for our families. Thank you in advance for your cooperation!
