But if, notwithstanding the provisions of this paragraph such bid is determined to be the lowest and best bid, the City reserves the right to accept the terms named in the bid if such terms are to the advantage of the City as a basis for payment of invoices only, but not in any case as a basis for determining the lowest and best bidder.

b. The City will take a discount of two percent (2%) on payments made within thirty (30) days from receipt of articles, commodities, materials, supplies, equipment or services, unless the bidder indicates otherwise on the space provided on the Schedule of Items bid.

contract, whether singly or cumulatively more or less than the estimated quantities set forth in the Schedule of Items, by a Delivery Order against the contract and separately certified.

A-15 LIMITATION OF PERIOD OF CONTRACT
If the proposed duration of the contract would deprive the City of the best available market price, the bidder may offer an alternate bid as to duration of the contract, setting forth in the bid the longest period of time it can furnish and deliver the proportionate amount of items at the firm price set forth in the bid. No other provision of the invitation to Bid shall be subject to an alternate bid unless specifically requested.

The City of Cleveland shall use the following ranking in determining who receives the preference:

1. Where the disparity study has determined that a disparity exists, the bid discount shall go to the bidders who are certified by the City as members of the specific MBE/FBE group for which the proven disparity exists. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.

2. Where no disparity has been proven, or when no bids are received from groups for which a proven disparity exists, the bid discount shall go to certified CSB bidders certified by the City as located within the city limits of Cleveland. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.

- The case of a U.S. trust (other than a grantor trust), the U.S. trust is a U.S. person and is a grantor trust, and the grantor is a U.S. person.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-8. Instead, use the appropriate Form W-4 or Form 8334 (see Publication 15, Withholding Tax on Nonresident Aliens and Foreign Estates).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual who subsequently becomes a U.S. person can have an income reported on Form W-8. However, if a nonresident alien elects to be treated as a U.S. person, the nonresident alien must report income on Form W-8 and include it in the tax return of the U.S. person. In these cases, the nonresident alien will be subject to U.S. taxes on the income.

If you are a U.S. resident alien who is relying on an exception contained in the self-certification of a U.S. person to claim that your foreign tax is not subject to U.S. tax, you must attach a statement to Form W-8 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressed by the income.
3. The article number (if bounded) in the tax treaty that contains the taxing clause addressed by the treaty article.
4. The type and amount of income that qualifies for the exemption from tax.
5. The facts and circumstances that support the claim for exemption from tax.

Examples. Article 20 of the U.S.-China income tax treaty allows an exemption for tax on scholarships and fellowships received by a U.S. student temporarily present in China. Under U.S. law, this student will become a nonresident alien for tax purposes if he or she stays in the United States for 31 calendar days. However, paragraph 2 of the first period to the U.S.-China tax treaty (Article 20, Article 20,). There are provisions in the tax treaty that eliminate the 31-day limitation.

Backup Withholding. For backup withholding purposes, taxpayers making certain payments to you must meet certain conditions without and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and dealer transaction, and charitable donations, and certain payments from a foreign financial institution. Most transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester the proper identification and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when requested (see the Pub 11 instructions on page 3 for details).
Line 2
If you have a business name, trade name, DBA name, or disregarded name, you may select it on line 2.

Line 3
Check an appropriate box in line 2 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3. United Liberty Company (LLC), LLC in line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "United Liberty Company" box and enter "P" in the space provided. If the LLC has filed Form 8846 or 8838 to be treated as a corporation, check the "United Liberty Company" box and in the space provided enter "C" for corporation or "S" for S corporation. If it is a single-member LLC that is disregarded entity, do not check the "United Liberty Company" box; instead check the first box in line 3 "Individuals or sole proprietor or single-member LLC.

Line 4, Exemptions
If you are exempt from backup withholding and/or FATCA reporting, enter the appropriate code in line 4 any code that may apply to you.

Line 5
Enter your address (number, street, and city), street, and city, and ZIP Code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not entitled to get an SSN, your TIN is your ITIN. If you have an ITIN, enter the ITIN as a numeric identification number. If you do not have an ITIN, see how to get a TIN below.

If you are a sole proprietor and you have an SSN, you may enter your SSN in box 2 instead of an ITIN. However, the IRS requires that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see United Liberty Company LLC in this page), enter the owner’s SSN or ITIN (if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note: See the chart on line 4 for further clarification of name and TIN combinations.

How to get a TIN: If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1935. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an ITIN by answering the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) online. A business can get Form W-7 and G-44 from the IRS by calling 1-800-829-3676.

If you are asked to complete Form W-6 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and mail it to the requesting entity. To receive a TIN and dividend payments, and certain payments made with respect to readily tradable instruments, you may have to return the interest before your subject to backup withholding or payments. The 10 percentage does not apply to any similar code. The payee must have a U.S. resident that has a foreign owner must use the appropriate Form W-8.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.
Part II. Certification

To establish the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. Anybody who is required to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required), in the case of a disregarded unincorporated person identified on line 1 must sign. Except payees, use Except payee code earlier.

Cleveland Area Business Code

NOTICE TO BIDDERS

3. **Required OEO Schedules:**

The following documents must be completed, signed and submitted as part of the Contractor's bid or proposal for any City of Cleveland contract over $50,000.00. Failure to submit all OEO Schedules may result in the rejection of a bid.

**Schedule 1: PROJECT CONTACT INFORMATION FORM**

Schedule 1, the PROJECT CONTACT INFORMATION FORM, provides the Office of Equal Opportunity with the necessary contact information to conduct its monitoring responsibilities. Each Bidder or Proposer shall complete, sign and submit Schedule 1 and include it with its bid or proposal.

**Schedule 2: SCHEDULE OF SUBCONTRACTOR PARTICIPATION**

Schedule 2, the SCHEDULE OF SUBCONTRACTOR PARTICIPATION, identifies all of the subcontractors the Bidder or Proposer intends to use on the project. Each Bidder or Proposer must complete, sign and submit Schedule 2 and include it with its bid or proposal. Bidders or Proposers shall list all prospective subcontractors, including all CSB, MBE, and/or FBE subcontractors, that will participate on the contract, and all requested contact information. Bidders or Proposers shall include the contract specification item number(s) on which the subcontractor will participate in Part 1, the scope, or supplies/materials that the subcontractor will be responsible for will be documented on Part 2, with the corresponding dollar amount for the subcontract on Part 3. The total dollar amount in Part 3 must be an actual dollar amount, and should not be a range of values or a percentage of the contract.

**Schedule 3: STATEMENT OF INTENT TO PERFORM AS A SUBCONTRACTOR**

Schedule 3, the STATEMENT OF INTENT TO PERFORM AS A SUBCONTRACTOR, verifies that the
certified CSB, MBE and/or FBE subcontractors listed on Schedule 2 have agreed to work with the Bidder or Proposer on the project, and that the two parties have agreed on general contract terms. Each certified CSB, MBE, and/or FBE listed as a prospective subcontractor on Schedule 2 shall complete, sign and return Schedule 3 to the Bidder or Proposer, and the Bidder or Proposer shall include the completed Schedule 3 with the bid or proposal. Part 1, Part 2 and Part 3 on each Schedule 3 must correspond with Part 1, Part 2 and Part 3, respectively, on Schedule 2 for the appropriate subcontractor.

No CSB, MBE, or FBE participation credit will be considered for a certified CSB, MBE and/or FBE subcontractor listed on Schedule 2 that does not have a corresponding, accurate Schedule 3 included in the bid or proposal.

If an MBE or FBE plans to re-subcontract any of its work, it must indicate that on Schedule 3. Any work re-subcontracted to a non-certified subcontractor will reduce the Bidder or Proposer’s participation credit to the extent of the re-subcontracting.

Schedule 4: CSB/MBE/FBE UNAVAILABILITY/IMPRacticality Certification

Schedule 4, CSB/MBE/FBE UNAVAILABILITY/IMPRacticality Certification, allows the Bidder or Proposer to document its good faith effort to achieve the CSB, MBE, and/or FBE subcontracting goals identified for the project in the bid documents. If a Bidder or Proposer has met or exceeded the subcontracting goals for the project, the Bidder or Proposer shall indicate this in Section A of Schedule 4. If the Bidder or Proposer has not met the subcontracting goals for the project, the Bidder or Proposer will indicate this in Section A of Schedule 4, and complete Section B.

Section B of Schedule 4 allows the Bidder or Proposer to document its efforts to solicit certified subcontractor participation for the project, thereby meeting the good faith effort requirement of the bid. Section B also allows the Bidder or Proposer to attach a written document explaining why subcontracting to the goals included in the bid or proposal documents is impossible or impractical due to the nature of the work, service or product being contracted by the bid or proposal. Contractors are obligated to demonstrate their good faith effort to meet the subcontracting goals for the contract, and failure to do so will result in the rejection of the bid or proposal.

Failure to submit and accurately complete OEO Schedules 1, 2, 3, and 4 may result in the rejection of all or part of the bid or proposal. Submission of incomplete, inaccurate, or inconsistent data in the Schedules may lead to a formal investigation, decertification of the Bidder or Proposer, decertification of the subcontractor, and/or a rejection of all or part of the bid. The City of Cleveland reserves the right to waive any informality or immaterial irregularity, and reserves the right to reject any or all bids.

4. Equal Employment Certification:

No Contractor shall discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. Contractors shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. As used in this chapter, “treated” means and includes without limitation the following: recruited whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship, promoted, upgraded, demoted, transferred, laid off and terminated. Contractors shall post in conspicuous places available to employees and applicants for employment, notices to be provided by the hiring representative of contractors setting forth the provisions of this nondiscrimination clause.

Within 60 days after entering into a Contract, each Contractor shall file a written affirmative action program containing standards and procedures ensuring that the contractor affords all qualified employees and applicants for employment equal opportunities in the contractor’s recruitment, selection, and advancement processes.

Revision Date: May 15, 2015
Each contractor's affirmative action program shall contain the following components:

(1) A diagnostic component that includes quantitative analyses comparing the composition of the Contractor's workforce to the composition of the Cleveland Contracting Market employment pool according to the most current census data available, grouped by EEO occupations.

(2) Each affirmative action program shall contain placement goals as follows:

(i) For each non-construction contract, placement goals equal to the availability percentage for women or minorities where the percentage of women or minorities employed by the contractor in a particular job group is less than would reasonably be expected given their percentage availabilities in the corresponding Cleveland Contracting Market employment pool. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a Contractor to grant a preference to any individual or adversely affect an individual's employment status for an unlawful discriminatory reason.

(ii) For each construction contract, establish placement goals for minorities and women for each trade involved in the performance of the contract equal to the goals established by the Director. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a contractor to grant a preference to any individual or adversely affect an individual's employment status for an unlawful discriminatory reason.

(3) Identification of problem areas through analysis of the contractor's employment process to determine if it affords or incorporates, or contains impediments to, equal employment opportunities.

(4) Action-oriented programs consisting of practical steps the contractor will implement to address any identified problem areas or the underutilization of women or minorities in relation to their availability in the relevant labor pool.

(5) Internal auditing and reporting systems that monitor and examine the impact the contractor's employment decisions and compensation systems have on women and minorities and their progress toward achieving a workforce that would be expected in the absence of discrimination.

(6) Policies, practices, and procedures that the contractor will implement to ensure that all qualified applicants and employees enjoy equal opportunity in recruitment, selection, advancement, and every other term and privilege associated with employment.

(7) Any additional requirements the Administrator may require through the Regulations or on a case-by-case review of a contractor's proposed affirmative action program.

If, 60 days after entering into a Contract, a contractor has not filed an affirmative action program, has deviated substantially from an approved affirmative action program, or has discriminated against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status, the Office of Equal Opportunity may take immediate enforcement action.
5. **CSB Certification:**

Each Bidder, Proposer or subcontractor representing itself as a Cleveland Area Small Business (CSB) in the OEO Schedules shall be certified with the Office of Equal Opportunity as a CSB prior to the bid opening. Certification applications must be completed online through the City’s Certification and Compliance Monitoring System at [https://cleveland.diversitycompliance.com/](https://cleveland.diversitycompliance.com/).

There are two classifications of CSBs:

**A City of Cleveland Small Business (CCSB)** is a CSB headquartered within the City of Cleveland.

**A Regional Cleveland Small Business (RCSB)** is a CSB headquartered within Cuyahoga County, but not within the City itself.

A business is eligible for certification as a Cleveland Area Small Business (CSB) if it meets the following criteria:

1. It is a Small Business Enterprise;
2. It has its principal office located physically in Cuyahoga County; and
3. Its chief executive officer and highest level managers maintain their offices and perform their managerial functions in the Cleveland Contracting Market.

A business qualifies as a Small Business Enterprise if it meets size requirements of the US Small Business Administration, or separate economic criteria as established by the Director of the Office of Equal Opportunity in the Regulations. You can find the current SBA size standards here: [http://www.sba.gov/content/small-business-size-standards](http://www.sba.gov/content/small-business-size-standards)

6. **CSB Contract Participation**

In an effort to promote the participation of Cleveland-area Small Businesses (CSBs) in City contracts, each Contracting Department of the City will use its best efforts to contract with CSB Bidders and Proposers, and Bidders and Proposers that have committed to subcontracting with certified CSBs.

Where other, project-specific goals have not been set in the bid or proposal documents, the standard CSB subcontractor participation goals are:

<table>
<thead>
<tr>
<th>Contract Type</th>
<th>CSB Subcontractor Participation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Construction Contracts</td>
<td>30% CSB Subcontractor Participation</td>
</tr>
<tr>
<td>Professional Services Contracts</td>
<td>10% CSB Subcontractor Participation</td>
</tr>
<tr>
<td>All Other Contracts</td>
<td>20% CSB Subcontractor Participation</td>
</tr>
</tbody>
</table>

The Contracting Departments may, in consultation with the Director, increase or decrease these participation goals for a particular contract. When the goals are changed, the change will be noted in the bid or proposal documents.

Each Bidder or Proposer shall make a good faith effort to subcontract with certified CSBs in consistent with the goals prescribed in the bid or proposal documents.

7. **MBE/FBE Certification:**

Each Bidder, Proposer or subcontractor representing itself as a Minority Business Enterprise (MBE) or Female Business Enterprise (FBE) in the OEO Schedules shall be certified with the Office of Equal Opportunity as an MBE and/or FBE prior to the bid opening. Certification applications must be completed online through the City’s Certification and Compliance Monitoring System at [https://cleveland.diversitycompliance.com/](https://cleveland.diversitycompliance.com/).
A business is eligible for certification as a Minority Business Enterprise (MBE) if:

1. The Business Enterprise is owned, operated and controlled by one or more Minority Persons who have at least 51% ownership;
2. The Minority Persons who own the Business Enterprise have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
3. The Business Enterprise is located and doing business in the Cleveland Contracting Market.

A business is eligible for certification as a Female Business Enterprise (FBE) if:

1. The Business Enterprise is owned, operated and controlled by one or more Females who have at least 51% ownership;
2. The Female owners have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
3. The Business Enterprise is located and doing business in the Cleveland Contracting Market.

8. **MBE and FBE Contract Participation**

The City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs) and Female Business Enterprises (FBEs) through its contracting activities, and the City intends to Contract with firms that share that commitment. Under this policy, each Contracting Department will use its best efforts to promote the participation of MBEs and FBEs as both prime contractors and subcontractors in all City Contracts. In turn, Bidders and Proposers shall make every effort to use MBEs and FBEs as subcontractors where available and practical.

Some City contracts will have specific MBE and/or FBE subcontractor participation goals. **These goals will be expressly stated in the Invitation to Bid (ITB) or Request for Proposal (RFP) in each contract where the goals are applicable.** When specific MBE and/or FBE goals are set forth in the ITB or RFP, the Bidder or Proposer shall make a good faith effort to meet them.

When there are specific MBE and/or FBE goals on a City contract, those goals will be considered in lieu of an equivalent portion of the CSB goals for the contract. Please review the bid or proposal documents for the final MBE, FBE and/or CSB subcontracting goals for the project.

9. **MBE/FBE Bid Discounts:**

Contracting Departments may apply a Bid Discount of five percent (5%) for bids received from certified MBE and FBE Bidders to remediate past or present discrimination, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination. The CSB/MBE/FBE Registry denotes which MBEs and FBEs are eligible for Bid Discounts.

10. **MBE/FBE Evaluation Credits:**

Contracting Departments may apply an Evaluation Credit of five percent (5%) of the total points awarded for proposals received from MBE and FBE Proposers to remediate past or present discrimination, where evidence of contracting disparity has been adequately demonstrated.

Revision Date: May 15, 2015
11. **MBE/FBE Subcontracting Bid Discounts and Additional Retainage:**

Contracting departments may apply a bid discount for bids received for public improvement contracts in the amount of five percent (5%) of the portion of the total amount of the goods, labor, and materials that the bidder represents it will subcontract to one or more MBEs and FBEs, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination.

If a Contracting Department applies the MBE/FBE subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the contract retainage required under Section 185.41 of the Codified Ordinances of the City of Cleveland. Release of this retainage shall be managed under the provisions established in Section 187.05(e) of the Codified Ordinances.

12. **CSB Bid Discounts:**

If a Contracting Department does not apply an MBE or FBE Bid Discount to one or more bids for the award of a Contract, the Contracting Department may apply a Bid Discount in the following amounts for bids received from CSB prime contractors:

- A Bid Discount of five percent (5%) for bids received from CCSBs.
- A Bid Discount of five percent (5%) for bids received from RCSBs, provided no bids are received from CCSBs.

13. **CSB Evaluation Credits:**

If a Contracting Department does not apply an MBE or FBE Evaluation Credit to one or more proposals for the award of a Contract, the Contracting Department may apply Evaluation Credits as follows for proposals received from CSB prime contractors:

1. An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from CCSBs.
2. An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from RCSBs, provided no proposals are received from CCSBs.

14. **CSB Subcontracting Bid Discounts and Additional Retainage:**

Contracting Departments may apply a Bid Discount to bids received for a Public Improvement Contract in the amount of five percent (5%) of the portion of the total amount of labor and materials that the Bidder represents it will subcontract to one or more CSBs. This provision does not apply, however, if a Bid Discount has been applied for MBE or FBE subcontractor participation.

If a Contracting Department applies the CSB subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the retainage required under Section 185.41 of the Codified Ordinances. Release of this retainage shall be managed under the provisions established in Section 187.03(d) of the Codified Ordinances.

15. **LPE and SUBE Certification:**

A Bidder or Proposer may qualify as a Local Producer, a Local-Food Purchaser or a Local Sustainable Business under the Local Producer, Local-Food Purchaser, and Sustainable Business Preference Code, Chapter 187A of the Codified Ordinances of the City of Cleveland. Each Bidder or Proposer representing itself as a Local Producer (LPE), or a Local Sustainable Business (SUBE) shall be certified with the Office
of Equal Opportunity prior to the bid opening. Certification applications must be completed online through the City’s Certification and Compliance Monitoring System at https://cleveland.diversitycompliance.com/.

16. **LPE and SUBE Bid Discounts:**

The Contracting Department shall apply a Bid Discount in the following amounts for bids received from LPE and/or SUBE prime contractors:

A Bid Discount of two percent (2%) for bids received from LPEs.
A Bid Discount of two percent (2%) for bids received from SUBEs.

17. **LPE and SUBE Evaluation Credits:**

The Contracting Department shall apply an Evaluation Credit in the following amounts for proposals received from LPE and/or SUBE prime contractors:

An Evaluation Credit of two percent (2%) for proposals received from LPEs.
An Evaluation Credit of two percent (2%) for proposals received from SUBEs.

18. **Maximum Annual Subcontracting Program Benefit:**

In an effort to encourage wide participation in the CSB, MBE and FBE subcontracting programs, the City of Cleveland has a policy which may limit the amount of subcontracting credit that a single CSB, MBE and/or FBE subcontractor can provide in a single year. When the CSB, MBE and/or FBE subcontractor has reached this maximum subcontracting dollar value, its participation in future contracts will not be counted towards a Bidder or Proposer’s CSB, MBE and/or FBE participation goals.

The Director may apply credit toward the CSB, MBE and/or FBE subcontractor participation goals upon written request of a Bidder or Proposer attesting that no other certified CSBs, MBEs or FBEs are available to perform the work or supply the materials required for the Contract, or in an emergency, or for such other reasons that the Director determines require use of that CSB, MBE or FBE.

Nothing prohibits a Bidder or Proposer from subcontracting to a CSB, MBE or FBE that has reached the cap, or prohibits the CSB, MBE or FBE from performing work or supplying materials under any contract. But that participation will not count towards the Bidder or Proposer’s subcontracting goals.

19. **CSB/MBE/FBE Manufacturer and Supplier Participation:**

Under the Cleveland Area Business Code, the entire amount of expenditures to certified CSB, MBE, or FBE manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract. A manufacturer is an enterprise that produces goods from raw materials or adds value by substantially altering them before resale.

Sixty percent (60%) of expenditures to certified CSB, MBE or FBE suppliers that are not manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract, provided that the CSB, MBE or FBE supplier performs a commercially useful function in the supply process. A business enterprise is a supplier performing a commercially useful function in the supply process when it:

1. Assumes the actual and contractual responsibility for furnishing the supplies or materials; and
2. Is recognized as a supplier, distributor or reseller by the manufacturer or producer of the contracted supplies and materials; and
3. Owns or leases a warehouse, yard, building or other facilities or uses such as means as are customary in the industry for the purpose of maintaining an inventory of or supplying such supplies or materials from which it supplies its customers; and
4. Distributes, delivers, and/or services products primarily with its own staff and/or equipment.

Revision Date: May 15, 2015
If a CSB, MBE or FBE supplier is not a manufacturer and is not performing a commercially useful function in the supply process, the supplier's participation will not be counted towards the CSB, MBE or FBE participation on the contract.

20. **Joint Ventures:**

Participation of CSBs, MBEs and FBEs in joint ventures is encouraged. To receive credit for CSB, MBE and/or FBE participation in a joint venture, the joint venture must be certified by the Office of Equal Opportunity. The CSB/MBE/FBE Joint Venture Certification Application is available from the Office of Equal Opportunity, and applications for joint venture certification must be received by the Office of Equal Opportunity no later than 10 days prior to the bid opening.

21. **Use of General Contractors as Subcontractors for CSB/ MBE/FBE Prohibited:**

Consistent with the U.S. Bureau of Census Standard Industrial Classifications, the City considers that a "general contractor" assumes responsibility for an entire construction contract, although it may subcontract part or all of the actual work to special trades or other contractors. The City does not consider that certification as a "general contractor" assumes or includes certification for any other trade or work. In order to qualify as a CSB, MBE or FBE Subcontractor, the CSB, MBE or FBE must be certified for the specific type of work indicated on Schedule 1, the Schedule of Subcontractor Participation.

22. **Subcontractor Participation Compliance Monitoring**

Once a contract is awarded through the bid or proposal process, the winning contractor is obligated to use the certified CSB, MBE or FBE subcontractors listed on the OEO Schedules and in the same participation amount indicated in the OEO Schedules. OEO will monitor this subcontractor participation throughout the course of the contract to ensure that the listed subcontractors are performing work on the project, and that they are being properly compensated for that work.

The City of Cleveland uses a web-based contractor certification and contract compliance monitoring system, colloquially known as B2Gnow, to monitor compliance on City contracts. Contractors can access the system at [http://cleveland.diversitycompliance.com](http://cleveland.diversitycompliance.com), or though a link on the Office of Equal Opportunity’s website at [http://city.cleveland.oh.us/oeo](http://city.cleveland.oh.us/oeo).

Each month during the contract, the prime contractor (or direct contract-holder with the City) will report payments to ALL subcontractors through the B2Gnow system. This monthly reporting information includes total payment in dollars made to the subcontractor, record of invoices satisfied, record of checks or other payment methods used to satisfy invoices, payment dates, and any additional information required by OEO to verify payment to subcontractors. The prime contractor will enter this payment information into the B2Gnow system, and the subcontractors will verify this payment information in the system.

OEO offers regular training sessions in the use of the B2Gnow system. Please contact OEO at 216-664-4152 to schedule training. Online training options are also available through the B2Gnow system.

Please note that use of the B2Gnow system requires an email account and access to a personal computer with internet connectivity. This requirement applies to both prime contractors and subcontractors. The City will provide for access to a computer and internet connection at Cleveland City Hall, upon appointment, for those contractors who do not otherwise have access to the required technology.

The prime contractor may not substitute subcontractors between the submission of bids and award of the contract. After the contract is awarded, the prime contractor may not substitute or shift subcontractors without written approval of the Director of OEO. When there are CSB, MBE and/or FBE goals established in the bid specifications, subcontractor substitutions must preserve the original bid participation percentage, unless the Director waives the requirement. The undersigned agrees that if awarded a contract, it will enter into a written agreement with each subcontractor listed above. If the total contract amount increases, the contractor shall use its best efforts to preserve the original CSB, MBE and/or FBE participation percentages for that increased amount.

SCHEDULE 4: CSB/MBE/FBE SUBCONTRACTOR UNAVAILABILITY/IMPRacticalITY CERTIFICATION

Project Name:  

Bidder/Proposer Name:  

Note: Prime contractors are expected to use good faith efforts in utilizing CSBs, MBEs and FBEs as subcontractors whenever there are CSB, MBE and/or FBE participation goals established in the bid specifications. There may be instances, however, where Prime Contractors will not be able to achieve the prescribed CSB, MBE and/or FBE participation goals for a particular contract. This Schedule 4 allows Prime Contractors to demonstrate their good faith efforts in finding and soliciting CSBs, MBEs and FBEs to work on the contract. If the subcontracting goals for this contract are not met, failure to complete this schedule fully and completely may impact the evaluation of this bid or proposal.

Section A:

Please check one of the following:

☐ 2. Prime contractor has submitted Schedules 1 and 2 indicating CSB/MBE/FBE Subcontractor participation that DOES NOT MEET the goals set forth in the bid documents.

If Box 1 is checked, no further documentation is necessary. Where Box 2 is checked, the Prime Contractor must provide a detailed explanation in Section B.
