By Councill Members Keane and Kelley (by departmental request),

An emergency ordinance authorizing the purchase by one or more requirement contracts of labor and materials needed to repair or replace floors and floor coverings at Cleveland Hopkins International Airport and Burke Lakefront Airport, for a period of two years, with two additional one-year options to renew, the first of which shall require additional legislative authority.

Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. That the Director of Port Control is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a two-year period, with two additional one-year options to renew, of the necessary items of labor and materials needed to repair or replace floors and floor coverings, including installation, in the approximate amount as purchased during the preceding term, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the Divisions of Cleveland Hopkins International Airport and Burke Lakefront Airport, Department of Port Control. The first of the one-year options to renew may not be exercised without additional legislative authority. If such additional legislative authority is granted and the first of the one-year options to renew is exercised, then the second of the one-year options to renew may be exercised at the option of the Director of Port Control, without the necessity of obtaining additional authority of this Council. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any purchase under the contract, each of which purchases shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance. (RQN 3001, RL 2017-32)

Section 3. That under Section 103(b) of the Charter, the purchases authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Director of Port Control may sign all documents that are necessary to make the purchases, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 4. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Where the disparity study has determined that a disparity exists, the bid discount shall go to the bidders who are certified by the City as members of the specific MBE/FBE group for which the proven disparity exists. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.

Where no disparity has been proven, or when no bids are received from groups for which a proven disparity exists, the bid discount shall go to certified CSB bidders certified by the City as located within the city limits of Cleveland. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.

No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.
4. In addition to any bid discounts at the prime contractor level, all prime contractors shall receive a bid discount of 5% of the total dollar amount of all CSB, MBE and/or FBE certified by the City that the prime contractor properly documents as subcontractors in their bid, for the purpose of establishing a Comparison Bid.

d. Comparison Bid to Determine Lowest and Best Bidder:

The City shall determine the Comparison Bid by totaling all applicable Bid Discounts under Sections 187.03, 187.05, and 187A.02. If more than one CSB, MBE, FBE, LPE, SUBE or CSB, MBE, FBE, LPE, SUBE joint venture prime contractor in the respective category submits a bid that is no more than five percent (5%) higher than the lowest actual bid that is not from a CSB, MBE, FBE, LPE, SUBE or from a CSB, MBE, FBE, LPE, SUBE joint venture, the contracting department shall recommend the CSB, MBE, FBE, LPE, SUBE, or CSB, MBE, FBE, LPE, SUBE joint venture submitting the lowest bid, after the inclusion of all applicable prime and subcontractor discounts, as the lowest and best or lowest responsible bidder.

By signing the filled-out form, you:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners’ share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:
- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trustee (other than a grantor trustee) and the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-8. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:
1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if he/she stays in the United States for 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his/her scholarship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fleeting boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:
1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details).
3. The IRS tells the requester that you furnished an incorrect TIN.
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate Instructions for the Requester of Form W-8 for more information.

Also see Special rules for partnerships above.

What is FATCA reporting?
The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 3 and the Instructions for the Requester of Form W-8 for more information.

Updating Your Information
You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are a tax exempt. In addition, you must furnish a new Form W-8 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties
Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Muse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "individual/sole proprietor or single-member LLC."

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requestor may indicate that a code is not required by providing you with a Form W-8 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.
A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5
Enter your address (number, street, and apartment or suite number). This is where the requestor of this Form W-9 will mail your information returns.

Line 6
Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (TIN). Enter it in the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on this page), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, go Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interests, dividends payments, and certain payments made with respect to readily tradeable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.
Part II. Certification

To establish the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required), in the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1986. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 8592), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:
- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when sharing.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed Information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an un solicit ed email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@phoce.gov or contact them at www.ftc.gov/tip/ir or 1-877-IDTHEFT (1-877-434-9338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3405, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

GENERAL CONDITIONS

B-1 CONSIDERATION OF BIDS.
All bids received in conformity with the Invitation to Bid shall be endorsed with the contract or advertisement name or number and name and address of the bidder. All bids, immediately after being read, shall be tabulated and summarized and shall become public record in the office of the Commissioner of Purchases and Supplies.

B-2 UNACCEPTABLE BIDS.
No bid will be accepted from, nor a contract awarded to, any person, firm or corporation that is in arrears or is in default to the City upon any debt or contract, or is a defaulter as surety or otherwise upon any obligation to the City, or has failed to perform faithfully on any previous contract with the City of Cleveland.

B-3 REJECTION OR ACCEPTANCE OF BIDS.
The City through the Board of Control shall have the right to reject any or all bids, parts of such bid, and reserves the right to waive any informalities in the bid. In addition to bid price and discount, the City reserves the right to consider all elements entering into the question of determining the responsibility of the bidder. Any bid which is incomplete, conditional, obscure, contains additions not called for, or irregularities of any kind, may be cause for rejection of the bid.

B-4 EVIDENCE OF ABILITY TO FULFILL CONTRACT.
Bidders must present evidence to the Commissioner of Purchases and Supplies, when required by him to do so, to show they are fully competent and have the necessary source of supply, facilities and pecuniary resources to fulfill the conditions of the contract and specifications.

B-5 WITHDRAWAL OF BID.
No bid may be withdrawn after it has been deposited with the Commissioner of Purchases and Supplies.

B-6 TIME OF AWARD.
The Board of Control of the City of Cleveland shall make an award or reject all bids not later than the second regular meeting of said Board following the opening of bids, unless further time is required to analyze bids, to investigate responsibility of any bidder, or in the absence of a time limitation for acceptance set forth in the bid.
Any extension of time beyond the date fixed by the successful bidder or the fourth regular meeting of the Board of Control, whichever event shall occur first, shall be subject to agreement between said bidder and the Board.

B-7 AWARD CONTRACT.
No contract shall be awarded without the approval of the Board of Control, and then only to the lowest and best bidder.
B-8 PERFORMANCE BOND.
A. Contracts for the purchase of articles, supplies, commodities, materials, equipment or services shall be secured by a bond in the form and content prescribed by and acceptable to the Director of Law, with good and sufficient sureties and in an amount equal to at least twenty-five percent (25%) of the contract price on materials supplied and at least fifty percent (50%) of the contract price on services supplied. A check is not acceptable in place of a performance bond. A performance bond is not required for standard purchase and requirements contracts awarded in the amount of $500,000.00 or less, except that standard purchase and requirements contracts that are labor and materials contracts including, but not limited to painting, carpentry, plumbing, electrical, masonry, landscaping, snow plowing, fencing and trucking over $100,000 but not more than $250,000 shall require a bond of at least twenty-five percent of the contract price, and over $250,000 but not more than $500,000 shall require a bond of at least fifty percent of the contract price. The above policy notwithstanding, the City of Cleveland reserves the right to require a performance bond in various amounts or to modify the performance bond requirement whenever it is determined to be in the best interest of the City of Cleveland to do so.

B. No performance bond will be required on any contract in the amount of $100,000 or less issued pursuant to this Invitation to Bid (ITB). Any contract over $100,000 but not more than $250,000 shall require a bond of twenty-five percent (25%) of the contract price, and any contract over $250,000 shall require a bond of fifty percent (50%).

B-9 RELEASE OF BOND.
Whenever a performance bond is required, the performance bond will not be released until all the provisions of the contract have been fulfilled.

B-10 CANCELLATION OF CONTRACT.
The City shall have the right to cancel this contract on five (5) days written notice if, in the opinion the Commissioner of Purchases and Supplies, the delivery of materials, supplies or equipment or the performance of work or services are not in accordance with contract specifications and the contractor fails to cure such deficiencies or comply with the contract specifications within ten (10) days after receipt of notice of default from the City, except where fulfillment of its obligation requires activity over a period of time and it has, within ten (10) days of the default notice commenced such activity. Additionally, the City shall have the right to cancel this contract, without cause, upon fifteen (15) days written notice upon the determination of the Board of Control of the City, expressed through its resolution, to do so.

B-11 SUBCONTRACTING OR ASSIGNMENT OF CONTRACT.
a. The contractor shall not subcontract, sublet, assign, transfer, convey or otherwise dispose of the contract, its duties, rights, title or interest in it or in any part thereof, or assign, by power of attorney or otherwise, any of the monies due or to become due under the contract, except, in each instance, with the prior written authorization of the Board of Control of the City, expressed through its resolution, and then only upon such terms and conditions as may be agreed to by said Board. No such subcontracting, subletting, assignment, transfer, conveyance or other disposal of the contract shall be valid until filed in the office of the Commissioner of Accounts.
b. Prior written Board of Control consent is required for a City contractor to add a subcontractor, or to substitute one subcontractor for another subcontractor, under a City contract.

c. The City assumes no obligation to pay, and will not pay, a contractor for any work and or services performed by a sub-contractor on the contract prior to Board of Control approval of that sub-contractor.

d. The Director will not grant any City contractor additional time to meet project deadlines, and will not authorize or pay additional compensation or delay damages of any kind arising from the contractor's inability to add or substitute a subcontractor because the contractor failed to submit the approval request and supporting documentation at least 3 (three) weeks in advance of the date the additional or substitute sub-contractor is needed.

e. The Office of Equal Opportunity shall evaluate each subcontractor addition and substitution for increased CSB, MBE, or FBE participation even if the original contract had no certified sub-contractor participation.

f. The City's Sub-contractor Addition and Substitution Policy and Procedure is hereby incorporated by reference in its entirety. The complete document is available online at the City of Cleveland website: http://www.city.cleveland.oh.us.

B-12 DELAY FOR CAUSES BEYOND CONTROL.
If the contractor is delayed in complying with the terms of the contract by strikes, lockouts, fire, unusual delay by common carriers, unavoidable casualties, or any cause beyond the contractor's control including orders, limitations or restrictions of any Governmental agency having jurisdiction over the subject matter of the contract, or by delay authorized by the City, or for any cause by which the director shall decide to justify the delay; then for all such delays and suspensions, the contractor shall be allowed one calendar day extension beyond the time fixed for compliance with the terms of the contract for each and every calendar day of such delay so caused in the completion of the work, the same to be ascertained by the director.

B-13 PATENTS.
The Contractor shall be required to pay all royalties and license fees and shall hold and save the City and its officers, agents, servants and employees harmless from liability of any nature or kind, including cost and expenses, for or on account of any patented or unpatented invention, process, article, or appliance manufactured or used in the performance of the contract, including its use by the City of Cleveland unless otherwise specifically stipulated in the contract documents. In this respect the contractor shall defend all suits or claims for infringement of any patent or license rights.

B-14 DELIVERY.
The vendor shall adhere to all stipulated delivery terms (e.g., material / service delivery upon a pre-set schedule, upon orders being placed, etc.). All service performance / material deliveries should be made only if the City of Cleveland has issued a valid, open Purchase Order (PO) with a sufficient free balance to
cover the full costs of the service being performed or materials being delivered. The City will not pay vendors for goods or services that are either delivered to the City under an invalid or unauthorized PO or were ordered using an expired contract. The City is not responsible for, and will not pay for, goods or services delivered to the City that are not authorized under the PO and contract under which a sale was purportedly made. Therefore, the vendor must not perform any services nor deliver any materials without a valid, open PO that authorizes the services / materials and that carries a sufficient free balance to cover the services / materials.

Upon delivery, some form of delivery documentation must be left with the City of Cleveland Department. For service performed, some Proof of Service documentation must be given to a City employee. For materials delivered, some Proof of Delivery or Packing Slip must be given to a City employee. In all instances, the delivery documentation must be signed and dated by a City employee in order to substantiate the services provided or materials delivered were as indicated on the documentation. City employees are charged with performing this verification, so vendors should allow adequate time for this review to occur. Failure to provide some delivery documentation, which received a City signature and date upon delivery, may result in payment delays.

B-15 LABORATORY TEST.
The City of Cleveland reserves the right to test all materials, equipment or supplies delivered during the life of the contract, at an independent laboratory to be designated by the Commissioner of Purchases and Supplies of the City of Cleveland. Where the result of such test shows the materials, equipment or supplies are not equal to the specifications, then the expense of making such test shall be paid by the contractor.

B-16 FAILURE TO MEET SPECIFICATIONS.
The delivery of any material, supplies or equipment or the performance of any work or services under the contract which do not conform to contract specifications will be rejected and the contractor notified immediately in writing of such rejection and the reason therefore. If the time for performance has not expired, and the contractor wishes to remedy the deficient materials, supplies or equipment or performance, it may notify the Commissioner of Purchases and Supplies of its intention to cure and may within ten (10) days make a conforming delivery of performance unless such time is extended in writing by said Commissioner. If said contractor fails to replace such nonconforming materials, supplies or equipment or otherwise cure such deficient performance of work or services, the City of Cleveland will purchase such materials, supplies or equipment or obtain the performance of such work or services of the character required on the open market or in case of work and services, by performance by City employees. In such event, the contractor and his surety shall be liable to the City for any excess costs and expenses thereby incurred.

B-17 SAFEGUARDS.
Any equipment to be furnished by the terms of this bid, shall be provided with safety controls, guards, and housing meeting the requirements of the safety standards of the Industrial Commission and the Department of Industrial Relations of Ohio, and the cost shall be included as part of the bid.
B-18 STATE OR FEDERAL TAXES.
   a. The City of Cleveland is exempt from all sales, excise and transportation
      taxes, except State of Ohio gasoline tax. The price or prices bid shall be
      exclusive of all such taxes and will be so construed.
   b. The contract price is subject to increase by the amount of any additional
      tax imposed by the Federal Government or the State of Ohio subsequent
      to the receipt of bids. Such claim for increased prices must be presented
      to the City within thirty (30) days after such tax becomes effective and
      supported by evidence satisfactory to the Director of Law.
   c. The contract price is subject to reduction by that amount by which an
      applicable tax is reduced during the period of the contract.

B-19 SOCIAL SECURITIES ACT/EMPLOYEES BENEFIT PAYMENTS.
The contractor shall be and remain an independent contractor with respect to all
services performed under said contract, and agrees to and accepts full and
exclusive liability for the payment of any and all contributions or taxes for social
security, unemployment insurance, old age retirement benefits, pensions, or
annuities now or hereafter imposed under any state or federal law, which are
measured by the terms of this contract and further agrees to obey all lawful rules
and regulations and to meet all lawful requirements which are now or hereafter
may be issued or promulgated under said respective laws by and duly authorized
state or federal officials and said contractor also agrees to indemnify and save
harmless the City of Cleveland from any such contributions or taxes or liability
therefore.

B-20 FREIGHT ON DIRECT SHIPMENTS TO THE CITY.
The freight prices made in the bid are to be in accordance with lawful freight or
cartage charges in existence at the time the bid is made, and contract prices
shall be increased or decreased by changes in the freight or cartage rates,
provided that claims for additional freight or cartage be presented to the City of
Cleveland within thirty (30) days after said advance in freight or cartage rates
becomes effective. Reductions in freight or cartage prices will be deducted from
the contract price.

C-2 CLEVELAND AREA SMALL BUSINESS, MINORITY AND FEMALE BUSINESS ENTERPRISE PARTICIPATION

Prospective bidders are advised that in order to enter into a contract with the City of Cleveland for providing the services outlined in this Invitation to Bid, the successful bidder must be determined to be in compliance with policies and procedures of the City’s Office of Equal Opportunity. Accordingly, prospective bidders are required to complete the attached Office of Equal Opportunity Schedules 1 through 4 and submit those materials with its bid. All schedules must be completed, signed and dated; or the submittal may be considered non-responsive. The completed schedules will be submitted
to the City’s Office of Equal Opportunity for evaluation. The successful bidder will be required to submit to the City’s Office of Equal Opportunity a comprehensive work force evaluation and an affirmative action plan no later than sixty (60) days after entering into a contract with the City.

The City of Cleveland has established a Cleveland Area Small Business ("CSB") subcontracting goal of twenty percent (20%) for this project. Please complete Schedule 2 – Schedule of Subcontractor Participation and provide a detailed plan with your proposal indicating how CSBs will be utilized during the project. In addition, the City of Cleveland is firmly committed to assisting Minority Business Enterprises ("MBEs") and Female Business Enterprises ("FBEs") through its contracting activities, and the City intends to contract with firms that share that commitment. Bidders shall make every effort to use MBEs and FBEs as subcontractors where available and practical.

It is the City’s objective that the CSB/MBE/FBE performs a commercially useful function. A CSB/MBE/FBE is considered to perform a commercially useful function when it is independently responsible for the execution of a distinct element of the work of a contract and carries out its responsibilities by actually performing, managing and supervising the work involved. In light of industry practices and other relevant considerations, the CSB/MBE/FBE must have a necessary and useful role in the transaction of a kind for which there is a market outside the context of the CSB/MBE/FBE program.

If you have any questions in regard to either the City's Office of Equal Opportunity’s requirements and/or its other contracting goals, please contact the Office of Equal Opportunity at (216) 664-4152.

C-4 BID BOND

Each bid shall be accompanied by a bid bond, signed by a surety company authorized to do business in Ohio, or by a cashier’s check or certified check on a solvent bank, which bond or check shall be in the sum of 5% of the amount of the bid. The insurance shall include coverage for damage of property of any nature in the care, custody, or control of the successful bidder, or any property over which the successful bidder is directly or indirectly exercising physical control by reason of the work to be performed.

C. Special Hazards - Business Automobile Liability

The following special hazards shall also be covered during the term of this contract by rider or riders to the policy(ies) above required, or by separate policies of insurance in amounts as follows:

E. Indemnification

The maintenance of the insurance required above shall in no way constitute a waiver of the successful bidder's legal liability for damages to any adjoining buildings or their contents or the work and property of others on the site beyond the limits of insurance thus maintained. The successful bidder shall hold the City of Cleveland its officers, agents and employees free and harmless from any injury or damage resulting from the negligent or faulty performance by the successful bidder or his subcontractors.

If, for any reason, a major change in the approved schedule is anticipated, the successful bidder shall make the necessary changes to the schedule and resubmit the revised schedule for approval by the designated Department of Port Control representative.
C-7 SECURITY REQUIREMENTS

GENERAL

The successful bidder’s services for Cleveland Hopkins International Airport can be either on the public side of the airport or in restricted areas controlled by federal and local security regulations. Drawings indicating these areas are on file in the Airport Security Office. The restricted areas are designated as the Security Identification Display Area (SIDA) or the Secured Area. If your contract will not require work in a restricted area, you can disregard this section.

A directive from the Transportation Security Administration ("TSA") requires proper identification and employment and criminal history background checks for all persons working in any restricted area at Cleveland Hopkins International Airport.

The successful bidder on each project shall complete an ID Badge/Safe card application form furnished by the Airport Security Office for each individual assigned to the project. As part of this contract, the successful bidder shall conduct the background checks required by the TSA directive prior to an employee being allowed inside the SIDA/Secured Area. For the employee background check, the successful bidder shall, at a minimum, verify the prospective employee’s work history or references for the past ten years by contacting listed employers and personal references. All time within the ten-year period MUST be accounted for. Upon completion of the background check, an officer of the successful bidder shall attest to the completion of the TSA requirements directive by signing (in the space marked “Designated Certification Official”) and submitting the application to the Airport Security Office.

The successful bidder shall submit its and any subcontractor’s ID badge applications promptly. All applications must be typed and fully completed prior to processing for ID badge. In order to minimize delays for employees applying for IDs, the successful bidder must provide the completed applications to the Airport Security Office no less than five business days before the assigned project begins. Airport Security’s hours of operation are 7:30 a.m. to 5:00 p.m. Monday through Friday.

The successful bidder is responsible for furnishing the Airfield Services Office with 24-hour emergency contact numbers (phone and/or pager) to include the successful bidder’s superintendent and a representative from each subcontractor. The successful bidder shall provide this information, in writing, to the attention of the Manager of Airfield Services. This is in the event the project site is involved in an emergency situation or if a condition exists that presents a potential safety and/or security hazard.

SECURED AREA

All employees working in the Secured Area will display their badges on the outermost garment, above the waist at all times. There are no exceptions to this requirement. Restricted access to the job site shall be complied with at all times. Compliance shall be met by the following methods:

1. The main contractor for each job site in the secured area of the perimeter shall be required to assign one (1) Site Safety/Security Supervisor. A permanent ID will be issued to the main contractor’s Site Safety/Security Supervisor upon completion of SIDA training.
conducted by personnel of the Security Office at Cleveland Hopkins International Airport.

A Site Safety/Security Supervisor will be required to remain on site at all times while construction personnel are within the airport perimeter fence. An alternate Site Safety/Security Supervisor must be available at all times. Any movement on the Air Operations Area ("AOA") outside of the designated construction site is strictly prohibited unless coordinated and approved by the Airfield Services Office at Cleveland Hopkins International Airport.

The Site Safety/Security Supervisor, under the direction of the Airfield Services Office is required to perform these duties:

a. Monitor gate entry to include proper badging of construction personnel and vehicle ramp permits. The Site Safety/Security Supervisor shall ensure that all contractor personnel entering the airfield properly display the approved issued ID. Only authorized construction vehicles are permitted inside the perimeter fence, no personal vehicles will be permitted inside the perimeter fence.

b. Ensure that all vehicles properly display company signage/logos, (24" x 24" professionally made), and are flagged or lighted before entering the airfield or air operations area.

c. If flag persons are required, they will be trained prior to the start of construction by an Airfield Services Agent. After successfully completing training, flag persons will be required to be in position each day before the construction project commences.

2. Temporary construction fencing could also be an option to ensure restricted access. The Airfield Services Office will advise the contractor if temporary fencing would meet additional safety requirements.

THE SIDA/SECURED AREA

The Security Identification Display Area ("SIDA")/Secured Area has also been identified by the TSA as an enhanced security zone, and requirements for controlling access are more strict. The Site Safety/Security Supervisor working in this zone would be specifically trained in security and safety awareness. Again, restricted access to the job site is paramount.

1. The contractor for each job site in the SIDA shall have two (2) Site Safety/Security Supervisors. These individuals must receive SIDA training by the Airport Security Office prior to assuming their duties. Both Site Safety/Security Supervisors are required to remain on site until all personnel have been escorted off the field. Alternates shall be made available if required.
2. Temporary fencing options exist to ensure restricted access. Airfield Services Manager will advise the contractor if temporary fencing would meet additional safety requirements.

3. Temporary construction projects within the SIDA with less than ten (10) workers may only require one (1) Site Safety/Security Supervisor. The Airfield Services Manager or the Security Manager will determine if the project can meet all safety and security requirements with one Site Safety/Security Supervisor.

All employees working on the SIDA must display their identification badges on their OUTERMOST GARMENT AND ABOVE THE WAIST AT ALL TIMES. THERE ARE NO EXCEPTIONS TO THIS REQUIREMENT. Any movement from the restricted area to any staging area must be coordinated and approved by the Airfield Services Office at (216) 265-6090.

VEHICLES

A ramp permit is necessary for all construction vehicles remaining in the SIDA/Secured Area. Applications are available in the Airport Security Office and the same procedures for processing apply. Rotating yellow beacons/strobes and/or construction flags, as required by the FAA, must be supplied for each vehicle entering the airfield or airport operations area. All vehicles will display on both sides of the vehicle professionally made company logos for security and identification purposes. Minimum requirements are 24” x 24” with 2” lettering. NO PAPER OR CARDBOARD SIGNAGE/LOGOS WILL BE APPROVED. Construction equipment is exempt from ramp permit requirements.

AIRCRAFT HAVE THE RIGHT OF WAY AT ALL TIMES. Vehicles that traverse Cleveland Hopkins International Airport must adhere to the 15-mile per hour speed limit, which is strictly enforced.

Contractors’ vehicles, equipment and supplies may not be placed within ten (10) feet of any airport fence.

FEES

Contractors will be charged a deposit fee of $65.00 for each individual identification badge and/or ramp permit. Upon approval of ID forms, the Airport Security Office will notify main contractor of total deposit necessary, e.g. 4 badges = $260.00. Checks and money orders must be payable to the Treasurer, City of Cleveland. The $65.00 fee will be refunded upon completion of project and return of employee’s identification badges. The prime contractor must ensure surrender of all identification badges upon completion for refund processing by the Airport Security Office.

Additionally, TSAR (Section 1542.209) requires all employees requesting unescorted access to the Secured Area/SIDA or Sterile areas of the Airport, to undergo a Fingerprint-based Criminal History Records Check. This entails submission of the applicant’s fingerprints, to be compared against a federal database, for crimes that could possibly disqualify the individual from the access requested. At present the cost of the procedure is $29.00 per submission. The Contractor will absorb all costs associated with
Flooring at Cleveland Hopkins International Airport and Burke Lakefront Airport

fingerprinting. The capturing of all prints shall be in the presence of the Airport Operator. Further clarification can be obtained from the Airport’s Fingerprinting Office at (216) 265-6964.

LOST/STOLEN BADGES

Contractors must immediately notify Airport Security at (216) 265-6073 or Airfield Services at 265-6090 of lost and/or stolen identification badges. Contractor will be charged $50.00 for each lost and/or stolen badge. Contractor must replace each lost and/or stolen badge before the next business day and/or the next work shift that their employee must return to work and no later than twenty-four (24) hours after the badge was reported lost and/or stolen.

Contractors will be charged $100.00 for each badge that is not returned at the end of the project. The Contractor must also supply the names of all employees whose employment has been terminated or are no longer associated with the project within five (5) working days of termination or employee otherwise being removed from working on the project.

ACCOUNTABILITY

Contractor shall ensure strict accountability by issuing and retrieving temporary construction identification badges at the beginning and end of each shift. Identification badges shall be secured on site by the prime contractor.

3. **Required OEO Schedules:**

The following documents must be completed, signed and submitted as part of the Contractor's bid or proposal for any City of Cleveland contract over $50,000.00. Failure to submit all OEO Schedules may result in the rejection of a bid.

**Schedule 1: PROJECT CONTACT INFORMATION FORM**

Schedule 1, the **PROJECT CONTACT INFORMATION FORM**, provides the Office of Equal Opportunity with the necessary contact information to conduct its monitoring responsibilities. Each Bidder or Proposer shall complete, sign and submit Schedule 1 and include it with its bid or proposal.

Schedule 2, the **SCHEDULE OF SUBCONTRACTOR PARTICIPATION**, identifies all of the subcontractors the Bidder or Proposer intends to use on the project. Each Bidder or Proposer must complete, sign and submit Schedule 2 and include it with its bid or proposal. Revision Date: May 15, 2015
certified CSB, MBE and/or FBE subcontractors listed on Schedule 2 have agreed to work with the Bidder or Proposer on the project, and that the two parties have agreed on general contract terms. Each certified CSB, MBE, and/or FBE listed as a prospective subcontractor on Schedule 2 shall complete, sign and return Schedule 3 to the Bidder or Proposer, and the Bidder or Proposer shall include the completed Schedule 3 with the bid or proposal. Part 1, Part 2 and Part 3 on each Schedule 3 must correspond with Part 1, Part 2 and Part 3, respectively, on Schedule 2 for the appropriate subcontractor.

No CSB, MBE, or FBE participation credit will be considered for a certified CSB, MBE and/or FBE subcontractor listed on Schedule 2 that does not have a corresponding, accurate Schedule 3 included in the bid or proposal.

If an MBE or FBE plans to re-subcontract any of its work, it must indicate that on Schedule 3. Any work re-subcontracted to a non-certified subcontractor will reduce the Bidder or Proposer’s participation credit to the extent of the re-subcontracting.

Schedule 4: CSB/MBE/FBE UNAVAILABILITY/IMPRacticality Certification

Schedule 4, CSB/MBE/FBE UNAVAILABILITY/IMPRacticality Certification, allows the Bidder or Proposer to document its good faith effort to achieve the CSB, MBE, and/or FBE subcontracting goals identified for the project in the bid documents. If a Bidder or Proposer has met or exceeded the subcontracting goals for the project, the Bidder or Proposer shall indicate this in Section A of Schedule 4. If the Bidder or Proposer has not met the subcontracting goals for the project, the Bidder or Proposer will indicate this in Section A of Schedule 4, and complete Section B.

Section B of Schedule 4 allows the Bidder or Proposer to document its efforts to solicit certified subcontractor participation for the project, thereby meeting the good faith effort requirement of the bid. Section B also allows the Bidder or Proposer to attach a written document explaining why subcontracting to the goals included in the bid or proposal documents is impossible or impractical due to the nature of the work, service or product being contracted by the bid or proposal. Contractors are obligated to demonstrate their good faith effort to meet the subcontracting goals for the contract, and failure to do so will result in the rejection of the bid or proposal.

Failure to submit and accurately complete OEO Schedules 1, 2, 3, and 4 may result in the rejection of all or part of the bid or proposal. Submission of incomplete, inaccurate, or inconsistent data in the Schedules may lead to a formal investigation, decertification of the Bidder or Proposer, decertification of the subcontractor, and/or a rejection of all or part of the bid. The City of Cleveland reserves the right to waive any informality or immaterial irregularity, and reserves the right to reject any or all bids.

4. Equal Employment Certification:

No Contractor shall discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. Contractors shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. As used in this chapter, “treated” means and includes without limitation the following: recruited whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship, promoted, upgraded, demoted, transferred, laid off and terminated. Contractors shall post in conspicuous places available to employees and applicants for employment, notices to be provided by the hiring representative of contractors setting forth the provisions of this nondiscrimination clause.

Within 60 days after entering into a Contract, each Contractor shall file a written affirmative action program containing standards and procedures ensuring that the contractor affords all qualified employees and applicants for employment equal opportunities in the contractor’s recruitment, selection, and advancement processes.

Revision Date: May 15, 2015
Each contractor’s affirmative action program shall contain the following components:

(1) A diagnostic component that includes quantitative analyses comparing the composition of the Contractor’s workforce to the composition of the Cleveland Contracting Market employment pool according to the most current census data available, grouped by EEO occupations.

(2) Each affirmative action program shall contain placement goals as follows:

(i) For each non-construction contract, placement goals equal to the availability percentage for women or minorities where the percentage of women or minorities employed by the contractor in a particular job group is less than would reasonably be expected given their percentage availabilities in the corresponding Cleveland Contracting Market employment pool. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a Contractor to grant a preference to any individual or adversely affect an individual’s employment status for an unlawful discriminatory reason.

(ii) For each construction contract, establish placement goals for minorities and women for each trade involved in the performance of the contract equal to the goals established by the Director. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a contractor to grant a preference to any individual or adversely affect an individual’s employment status for an unlawful discriminatory reason.

(3) Identification of problem areas through analysis of the contractor’s employment process to determine if it affords or incorporates, or contains impediments to, equal employment opportunities.

(4) Action-oriented programs consisting of practical steps the contractor will implement to address any identified problem areas or the underutilization of women or minorities in relation to their availability in the relevant labor pool.

(5) Internal auditing and reporting systems that monitor and examine the impact the contractor’s employment decisions and compensation systems have on women and minorities and their progress toward achieving a workforce that would be expected in the absence of discrimination.

(6) Policies, practices, and procedures that the contractor will implement to ensure that all qualified applicants and employees enjoy equal opportunity in recruitment, selection, advancement, and every other term and privilege associated with employment.

(7) Any additional requirements the Administrator may require through the Regulations or on a case-by-case review of a contractor’s proposed affirmative action program.

If, 60 days after entering into a Contract, a contractor has not filed an affirmative action program, has deviated substantially from an approved affirmative action program, or has discriminated against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status, the Office of Equal Opportunity may take immediate enforcement action.
5. **CSB Certification:**

Each Bidder, Proposer or subcontractor representing itself as a Cleveland Area Small Business (CSB) in the OEO Schedules shall be certified with the Office of Equal Opportunity as a CSB prior to the bid opening. Certification applications must be completed online through the City’s Certification and Compliance Monitoring System at https://cleveland.diversitycompliance.com/.

There are two classifications of CSBs:

- **A City of Cleveland Small Business (CCSB)** is a CSB headquartered within the City of Cleveland.
- **A Regional Cleveland Small Business (RCSB)** is a CSB headquartered within Cuyahoga County, but not within the City itself.

A business is eligible for certification as a Cleveland Area Small Business (CSB) if it meets the following criteria:

1. It is a Small Business Enterprise;
2. It has its principal office located physically in Cuyahoga County; and
3. Its chief executive officer and highest level managers maintain their offices and perform their managerial functions in the Cleveland Contracting Market.

A business qualifies as a Small Business Enterprise if it meets size requirements of the US Small Business Administration, or separate economic criteria as established by the Director of the Office of Equal Opportunity in the Regulations. You can find the current SBA size standards here: [http://www.sba.gov/content/small-business-size-standards](http://www.sba.gov/content/small-business-size-standards)

6. **CSB Contract Participation**

In an effort to promote the participation of Cleveland-area Small Businesses (CSBs) in City contracts, each Contracting Department of the City will use its best efforts to contract with CSB Bidders and Proposers, and Bidders and Proposers that have committed to subcontracting with certified CSBs.

Where other, project-specific goals have not been set in the bid or proposal documents, the standard CSB subcontractor participation goals are:

- **Construction Contracts:** 30% CSB Subcontractor Participation
- **Professional Services Contracts:** 10% CSB Subcontractor Participation
- **All Other Contracts:** 20% CSB Subcontractor Participation

The Contracting Departments may, in consultation with the Director, increase or decrease these participation goals for a particular contract. When the goals are changed, the change will be noted in the bid or proposal documents.

Each Bidder or Proposer shall make a good faith effort to subcontract with certified CSBs in consistent with the goals prescribed in the bid or proposal documents.

7. **MBE/FBE Certification:**

Each Bidder, Proposer or subcontractor representing itself as a Minority Business Enterprise (MBE) or Female Business Enterprise (FBE) in the OEO Schedules shall be certified with the Office of Equal Opportunity as an MBE and/or FBE prior to the bid opening. Certification applications must be completed online through the City’s Certification and Compliance Monitoring System at [https://cleveland.diversitycompliance.com/](https://cleveland.diversitycompliance.com/).

Revision Date: May 15, 2015
A business is eligible for certification as a Minority Business Enterprise (MBE) if:

(1) The Business Enterprise is owned, operated and controlled by one or more Minority Persons who have at least 51% ownership;
(2) The Minority Persons who own the Business Enterprise have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
(3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

A business is eligible for certification as a Female Business Enterprise (FBE) if:

(1) The Business Enterprise is owned, operated and controlled by one or more Females who have at least 51% ownership;
(2) The Female owners have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
(3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

8. **MBE and FBE Contract Participation**

The City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs) and Female Business Enterprises (FBEs) through its contracting activities, and the City intends to Contract with firms that share that commitment. Under this policy, each Contracting Department will use its best efforts to promote the participation of MBEs and FBEs as both prime contractors and subcontractors in all City Contracts. In turn, Bidders and Proposers shall make every effort to use MBEs and FBEs as subcontractors where available and practical.

Some City contracts will have specific MBE and/or FBE subcontractor participation goals. These goals will be expressly stated in the Invitation to Bid (ITB) or Request for Proposal (RFP) in each contract where the goals are applicable. When specific MBE and/or FBE goals are set forth in the ITB or RFP, the Bidder or Proposer shall make a good faith effort to meet them.

When there are specific MBE and/or FBE goals on a City contract, those goals will be considered in lieu of an equivalent portion of the CSB goals for the contract. Please review the bid or proposal documents for the final MBE, FBE and/or CSB subcontracting goals for the project.

9. **MBE/FBE Bid Discounts:**

Contracting Departments may apply a Bid Discount of five percent (5%) for bids received from certified MBE and FBE Bidders to remediate past or present discrimination, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination. The CSB/MBE/FBE Registry denotes which MBEs and FBEs are eligible for Bid Discounts.

10. **MBE/FBE Evaluation Credits:**

Contracting Departments may apply an Evaluation Credit of five percent (5%) of the total points awarded for proposals received from MBE and FBE Proposers to remediate past or present discrimination, where evidence of contracting disparity has been adequately demonstrated.

Revision Date: May 15, 2015
11. **MBE/FBE Subcontracting Bid Discounts and Additional Retainage:**

Contracting departments may apply a bid discount for bids received for public improvement contracts in the amount of five percent (5%) of the portion of the total amount of the goods, labor, and materials that the bidder represents it will subcontract to one or more MBEs and FBEs, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination.

If a Contracting Department applies the MBE/FBE subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the contract retainage required under Section 185.41 of the Codified Ordinances of the City of Cleveland. Release of this retainage shall be managed under the provisions established in Section 187.05(e) of the Codified Ordinances.

12. **CSB Bid Discounts:**

If a Contracting Department does not apply an MBE or FBE Bid Discount to one or more bids for the award of a Contract, the Contracting Department may apply a Bid Discount in the following amounts for bids received from CSB prime contractors:

A Bid Discount of five percent (5%) for bids received from CCSBs.
A Bid Discount of five percent (5%) for bids received from RCSBs, provided no bids are received from CCSBs.

13. **CSB Evaluation Credits:**

If a Contracting Department does not apply an MBE or FBE Evaluation Credit to one or more proposals for the award of a Contract, the Contracting Department may apply Evaluation Credits as follows for proposals received from CSB prime contractors:

(1) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from CCSBs.
(2) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from RCSBs, provided no proposals are received from CCSBs.

14. **CSB Subcontracting Bid Discounts and Additional Retainage:**

Contracting Departments may apply a Bid Discount to bids received for a Public Improvement Contract in the amount of five percent (5%) of the portion of the total amount of labor and materials that the Bidder represents it will subcontract to one or more CSBs. This provision does not apply, however, if a Bid Discount has been applied for MBE or FBE subcontractor participation.

If a Contracting Department applies the CSB subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the retainage required under Section 185.41 of the Codified Ordinances. Release of this retainage shall be managed under the provisions established in Section 187.03(d) of the Codified Ordinances.

15. **LPE and SUBE Certification:**

A Bidder or Proposer may qualify as a Local Producer, a Local-Food Purchaser or a Local Sustainable Business under the Local Producer, Local-Food Purchaser, and Sustainable Business Preference Code, Chapter 187A of the Codified Ordinances of the City of Cleveland. Each Bidder or Proposer representing itself as a Local Producer (LPE), or a Local Sustainable Business (SUBE) shall be certified with the Office

16. **LPE and SUBE Bid Discounts:**

The Contracting Department shall apply a Bid Discount in the following amounts for bids received from LPE and/or SUBE prime contractors:

A Bid Discount of two percent (2%) for bids received from LPEs.
A Bid Discount of two percent (2%) for bids received from SUBEs.

17. **LPE and SUBE Evaluation Credits:**

The Contracting Department shall apply an Evaluation Credit in the following amounts for proposals received from LPE and/or SUBE prime contractors:

An Evaluation Credit of two percent (2%) for proposals received from LPEs.
An Evaluation Credit of two percent (2%) for proposals received from SUBEs.

18. **Maximum Annual Subcontracting Program Benefit:**

In an effort to encourage wide participation in the CSB, MBE and FBE subcontracting programs, the City of Cleveland has a policy which may limit the amount of subcontracting credit that a single CSB, MBE and/or FBE subcontractor can provide in a single year. When the CSB, MBE and/or FBE subcontractor has reached this maximum subcontracting dollar value, its participation in future contracts will not be counted towards a Bidder or Proposer’s CSB, MBE and/or FBE participation goals.

The Director may apply credit toward the CSB, MBE and/or FBE subcontractor participation goals upon written request of a Bidder or Proposer attesting that no other certified CSBs, M3Es or FBEs are available to perform the work or supply the materials required for the Contract, or in an emergency, or for such other reasons that the Director determines require use of that CSB, MBE or FBE.

Nothing prohibits a Bidder or Proposer from subcontracting to a CSB, MBE or FBE that has reached the cap, or prohibits the CSB, MBE or FBE from performing work or supplying materials under any contract. But that participation will not count towards the Bidder or Proposer’s subcontracting goals.

19. **CSB/MBE/FBE Manufacturer and Supplier Participation:**

Under the Cleveland Area Business Code, the entire amount of expenditures to certified CSB, MBE, or FBE manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract. A manufacturer is an enterprise that produces goods from raw materials or adds value by substantially altering them before resale.

Sixty percent (60%) of expenditures to certified CSB, MBE or FBE suppliers that are not manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract, provided that the CSB, MBE or FBE supplier performs a commercially useful function in the supply process. A business enterprise is a supplier performing a commercially useful function in the supply process” when it:

1. Assumes the actual and contractual responsibility for furnishing the supplies or materials; and
2. Is recognized as a supplier, distributor or reseller by the manufacturer or producer of the contracted supplies and materials; and
3. Owns or leases a warehouse, yard, building or other facilities or uses such as means as are customary in the industry for the purpose of maintaining an inventory of or supplying such supplies or materials from which it supplies its customers; and
4. Distributes, delivers, and/or services products primarily with its own staff and/or equipment.

Revision Date: May 15, 2015
If a CSB, MBE or FBE supplier is not a manufacturer and is not performing a commercially useful function in the supply process, the supplier’s participation will not be counted towards the CSB, MBE or FBE participation on the contract.

20. **Joint Ventures:**

Participation of CSBs, MBEs and FBEs in joint ventures is encouraged. To receive credit for CSB, MBE and/or FBE participation in a joint venture, the joint venture must be certified by the Office of Equal Opportunity. The CSB/MBE/FBE Joint Venture Certification Application is available from the Office of Equal Opportunity, and applications for joint venture certification must be received by the Office of Equal Opportunity no later than 10 days prior to the bid opening.

21. **Use of General Contractors as Subcontractors for CSB/ MBE/FBE Prohibited:**

Consistent with the U.S. Bureau of Census Standard Industrial Classifications, the City considers that a "general contractor" assumes responsibility for an entire construction contract, although it may subcontract part or all of the actual work to special trades or other contractors. The City does not consider that certification as a "general contractor" assumes or includes certification for any other trade or work. In order to qualify as a CSB, MBE or FBE Subcontractor, the CSB, MBE or FBE must be certified for the specific type of work indicated on Schedule 1, the Schedule of Subcontractor Participation.

22. **Subcontractor Participation Compliance Monitoring**

Once a contract is awarded through the bid or proposal process, the winning contractor is obligated to use the certified CSB, MBE or FBE subcontractors listed on the OEO Schedules and in the same participation amount indicated in the OEO Schedules. OEO will monitor this subcontractor participation throughout the course of the contract to ensure that the listed subcontractors are performing work on the project, and that they are being properly compensated for that work.

Each month during the contract, the prime contractor (or direct contract-holder with the City) will report payments to ALL subcontractors through the B2Gnow system. This monthly reporting information includes total payment in dollars made to the subcontractor, record of invoices satisfied, record of checks or other payment methods used to satisfy invoices, payment dates, and any additional information required by OEO to verify payment to subcontractors. The prime contractor will enter this payment information into the B2Gnow system, and the subcontractors will verify this payment information in the system.

OEO offers regular training sessions in the use of the B2Gnow system. Please contact OEO at 216-664-4152 to schedule training. Online training options are also available through the B2Gnow system.

Please note that use of the B2Gnow system requires an email account and access to a personal computer with internet connectivity. This requirement applies to both prime contractors and subcontractors. The City will provide for access to a computer and internet connection at Cleveland City Hall, upon appointment, for those contractors who do not otherwise have access to the required technology.

The prime contractor may not substitute subcontractors between the submission of bids and award of the contract. After the contract is awarded, the prime contractor may not substitute or shift subcontractors without written approval of the Director of OEO. When there are CSB, MBE and/or FBE goals established in the bid specifications, subcontractor substitutions must preserve the original bid participation percentage, unless the Director waives the requirement. The undersigned agrees that if awarded a contract, it will enter into a written agreement with each subcontractor listed above. If the total contract amount increases, the contractor shall use its best efforts to preserve the original CSB, MBE and/or FBE participation percentages for that increased amount.

SCHEDULE 4: CSB/MBE/FBE SUBCONTRACTOR UNAVAILABILITY/IMPrACTICALITY Certification

Project Name: 

Bidder/Proposer Name: 

Note: Prime contractors are expected to use good faith efforts in utilizing CSBs, MBEs and FBEs as subcontractors whenever there are CSB, MBE and/or FBE participation goals established in the bid specifications. There may be instances, however, where Prime Contractors will not be able to achieve the prescribed CSB, MBE and/or FBE participation goals for a particular contract. This Schedule 4 allows Prime Contractors to demonstrate their good faith efforts in finding and soliciting CSBs, MBEs and FBEs to work on the contract. If the subcontracting goals for this contract are not met, failure to complete this schedule fully and completely may impact the evaluation of this bid or proposal.

Section A:

Please check one of the following:

☐ 2. Prime contractor has submitted Schedules 1 and 2 indicating CSB/MBE/FBE Subcontractor participation that DOES NOT MEET the goals set forth in the bid documents.
