East 66th Street Resurfacing Improvements
Hough Avenue to Lexington Avenue
Tuesday, September 17, 2019
(City of Cleveland - Ward 7)

Expect additional traffic notices as improvements continue

CLEVELAND – On September 17, 2019, the City will begin the East 66th Street Resurfacing Project from Hough Avenue to Lexington Avenue. Advance notice signs will be posted to advise the public of road improvements.

One lane of traffic will be maintained for local traffic for the duration of this project and no detours are expected. Access to all businesses, residences and side streets will be maintained during construction. On-street parking will not be allowed during construction. The work is estimated to complete in October 2019.

The improvements include asphalt resurfacing and installation of American with Disabilities Act compliant ramps. The work will take place during daytime hours from 7 a.m. to 5 p.m.

Questions? Contact the City Project Inspector, James Miller at 216-857-1635.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*
